ABOUT ME

I'm a 20-year-old developer with a passion for web development. I'm currently learning and building projects in this exciting field. I enjoy working with modern web technologies and constantly exploring new tools to enhance my skills.

WORK EXPERIENCE

Bitwit Technologies   **July 2024 - August 2024**

- Developed responsive and optimized frontend solutions using React during a two-month internship at a digital marketing company. Collaborated with design teams, ensuring seamless, cross-browser compatibility, and a smooth user experience through efficient UI/UX principles.

SKILLS

Frontend Development : JavaScript, TypeScript, React, Next.js, Tailwind CSS
Backend Development : Node.js, Express, Zod, Postman
Databases : MongoDB, PostgreSQL, Prisma
Version Control and Collaboration : Git, Github
Deployment and DevOps : Vercel, Docker

PROJECTS

getYOtix: A frontend platform where users can purchase tickets, host events, and gift cards to friends and family.
SuperApp : An application where users can view weather updates, access news, set timers, and select their favorite movie genres.
X-Regal Plane :
A beginner-friendly RC plane designed to teach users how to craft and fly remote-controlled aircraft.

EDUCATION

Bachelor of Technology   **November 2022 - Present**
Poornima Institute of Technology, Jaipur, Rajasthan

Senior Secondry   **2021**
Marudhar Defence of Senior Secondry School, Merta City, Nagaur, Rajasthan
94%
